	23rd May	Thursday	English Language Exam	11A French Masterclasses			11C French Masterclass
	24th May	Friday	French Writing Exam	Maths Masterclass (French Students)			Year 11 Event

May Half Term

What are Masterclasses?

This is a session which lasts for an hour with a subject specialist. They go through the key points of the up and coming paper - the structure, timings, types of questions and content. There is a revision element, but the key idea is to get the students thinking positively about the exam, so they go in with a 'can do' attitude and confident they know what to do and how to be successful.
