The format of the event will be a selection of workshops which will be repeated throughout the evening. Each workshop lasts 20 minutes, which will include time for you to ask related questions. The event will take place in Middle School and the available workshops are:

- Year Group Workshop (Years 8-13)\*
- Supporting your Child's Mental Health
- Revision and Exams Tips (Years 9-13)
- UCAS and Apprenticeships (Post 18)
- Study Skills

\* The year group workshop looks at what is in store for the year (e.g. Options for Year 8 and exams for Year 11, work experience for Year 10); as well as the support available in school and what we need from you.

\*\* Students who access Free School Meals now or in the last 6 years, are services children now or in the last 6 years or those who are/have been in care.

You can attend up to 4 sessions over the course of the evening and all of the sessions are repeated. The session times are:

- 5 – 5:20pm
- 5:30 – 5:50pm
- 6 – 6:20pm
- 6:30 – 6:50pm

We strongly believe that our students will succeed when we (parents/carers and school) work together as a team. Knowing how we do things and the reasons behind them helps us to create a strong basis for this crucial relationship.
