

## Spanish A level: Transition Work for the Summer

Well done for making the excellent decision to do Spanish at KS5.

¡Va a ser fantástico!

### **Task 1 – Speaking presentation**

Please prepare a 2- minute presentation in Spanish about yourself for the first lesson so we can all get to know each other better. You can make a Powerpoint, or just bring a few notes to help you.

You could include the following:

- Personal details
- Family and friends
- Your hobbies
- What plans you have for the future
- Any visits to Spain/ Spanish-speaking countries – that you have done or would like to do in the future

### **Task 2 – Mi diario**

Keep a weekly diary in the past tense (what you did) and the future tense (what you will do tomorrow). Aim to write at least 100 words a week.

### **Task 3 – Escuchar**
